

# PowerLux® Corporation

## Made in America

**PowerLux®** products are Made in America. According to the Federal Trade Commission (FTC), “Made in America” means that “all or virtually all” the product was, indeed, made in America. Our products are proudly manufactured in Vista, CA.

## Buy American Act

**PowerLux®** certifies that our light fixtures have been constructed with material that qualifies as “Domestic Construction Material” as defined in FAR Clause 52.225-11 Buy American Act-Construction Material under Trade Agreements (Feb 2009).

## Buy America

**PowerLux®** products comply with Buy America requirements. This is in reference to requirements for Federal-aid highway construction (23 CFR 635.410) and applies to iron and steel products and their coatings.
